We can show you this fence in our stock and explain its merits and superiority, not only in the roll but in the field. Come and see us and get our prices.

THE AMERICAN STEEL POSTS

Easy to set, lasts a life time and looks well. Ready for instant use. Also Drive Gates and Entrance Gates.

The Elmwood Lawn Fence makes a handsome job. We carry a full line of the above. We are sole agents for Lowell and surrounding towns.

MASURY'S HOUSE PAINTS

WILL WITHSTAND THE RAVAGES OF TIME

THE perfection attained by Masury's House Paints during the sixty-five years they have been in use is due to the great care with which the ingredients are selected and proportioned.

The pigments employed are ground in Pure Linseed Oil by specially constructed machinery which assures uniformity in consistency and color.

They are superior in covering capacity, preservative qualities and durability of finish. These established points of excellence make them at once the safest and most economical paints to buy.

In determining this matter of suitable paints you must remember that it costs as much to cover your house with poor paint as it does to cover it with the best, and that inasmuch as Masury's House Paints defer repainting for the longest possible period, they are the proper paints to buy. Because by their great endurance the original cost is of slight moment. Manufactured by
